Education

B.Tech (Computer Science)   2020-2024
United College of Engineering And Research, Prayagraj (NBA Accredited)SGPA: 7.3
   High School
Maharishi Vidya Mandir Naini, Prayagraj (Affiliated-C.B.S.E Board)Percentage: 93%
    Intermediate
Maharishi Vidya Mandir Naini, Prayagraj (Affiliated-C.B.S.E Board)Percentage: 83%

Skills

JAVA, PYTHON, HTML, CSS, JAVASCRIPT, REACTJS, Bootstrap, API (Application Programming Interface), Figma, Postman, Leadership, Communication.

Personal Projects

Nccedu-app by using React and Bootstrap

- Developed an educational website using Reactjs (local storage, React-router, React-hooks) and Bootstrap.

- Provided facilities for writing notes or questions, playing quizzes, and displaying memories of OTA training academy in the Gallery section.

- Link: https://nccedu-app.vercel.app/

@catmeow.com(E-commerce website)

- The project was made by using CSS and Reactjs, I have given the facility of social sharing like whatsapp.

- Form validation by using react hooks , using react-routers to visit the multiple pages.

- Link:- https://catmeow-react-website.vercel.app/

Meme with Text Generator by using React

- Designed a meme generator with the ability to add custom top and bottom text to the meme.

- Implemented using Javascript, API, and ReactJs.
